**Company/Organization:** **Pennant Australasia Pty Ltd** | **Australian Department of Defence (AU-DoD)**

Abstract-No: A#08

# Capability Acquisition and Sustainment Group

## DEFENCE PRIMARY ROLE

Defence's primary role is to protect and advance Australia's strategic interests through the provision of military capabilities, to promote security and stability, and to provide support for the Australian community and civilian authorities as directed by Government.

To defend Australia and its national interests in order to advance Australia's security and prosperity.

## DEFENCE MISSION

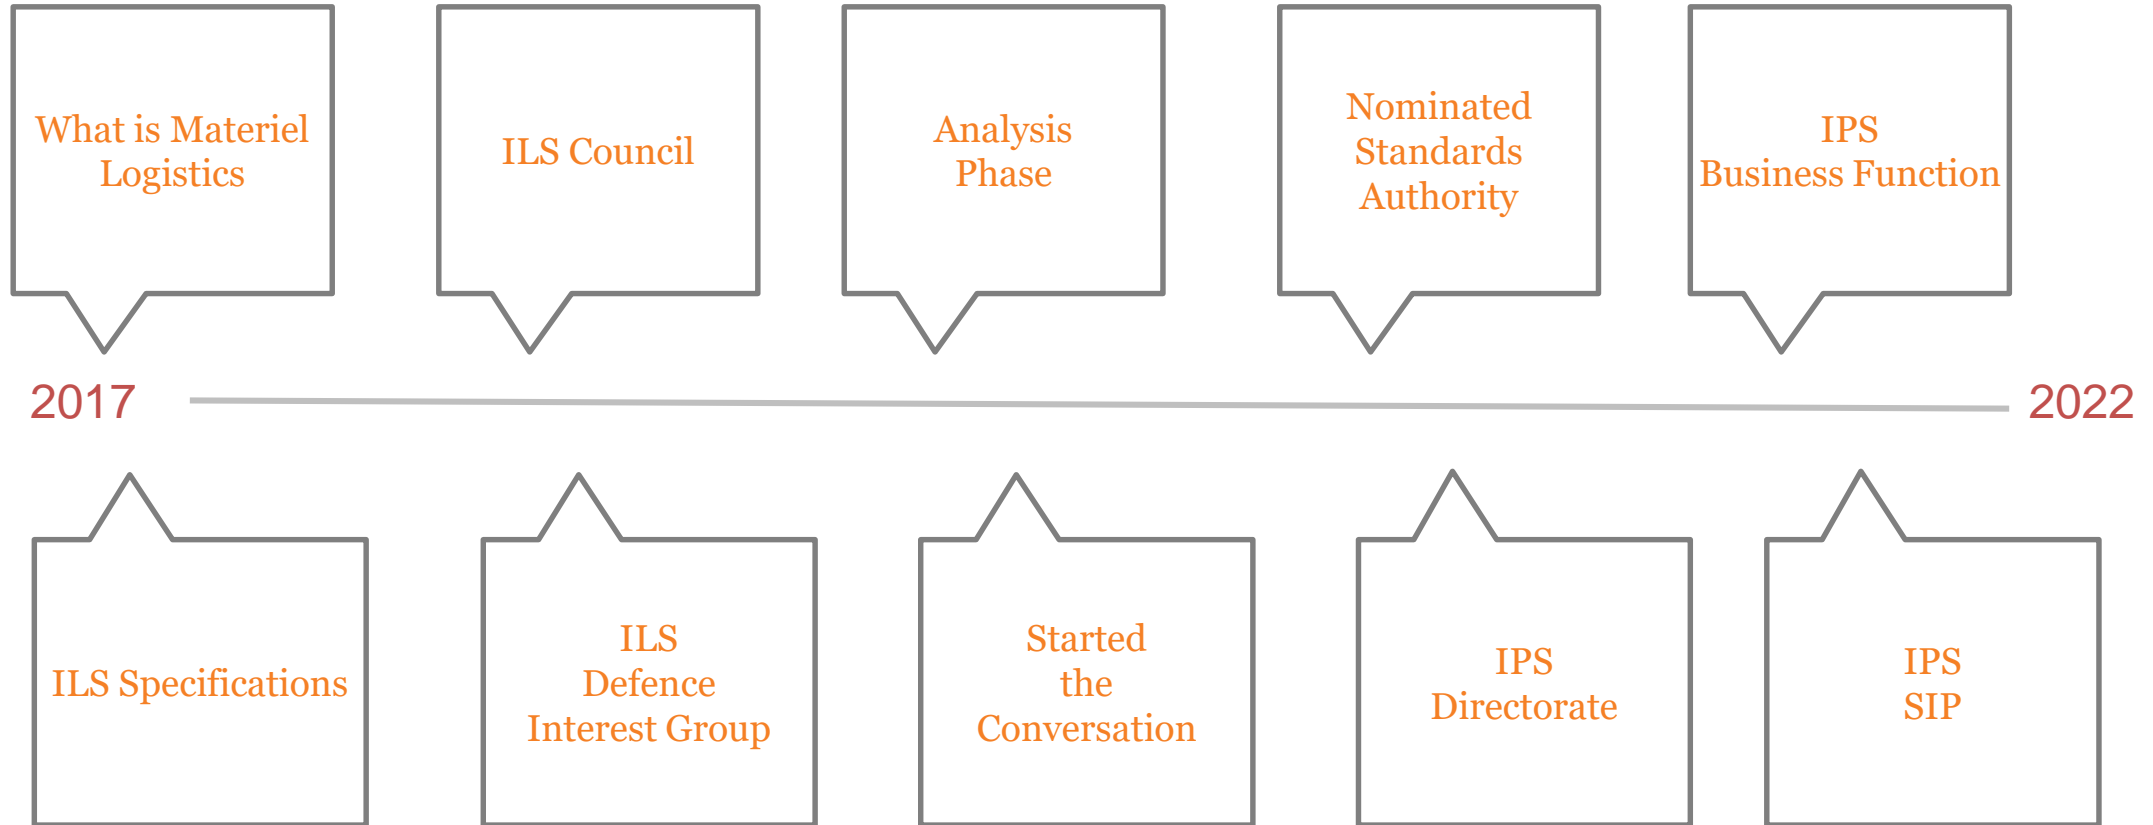

CASG partners with industry to deliver Defence capability for the capability manager.

## CASG PURPOSE

## Mission Statement

Ensure preparedness for the war fighter through the development and optimisation of Defence Capabilities. We will strengthen interoperability across Defence, with our Allies and Industry. We will do this through the evolution of ILS to IPS and taking a systems approach to implementation.

# Our Journey

## Why did we start this journey?

### **Strategic Defence Reviews**

- *Antique ILS policy and process*
  - *Erosion of Skills*
- *Poor Support System maturity*
- *Development of bespoke support solutions*
  - *Lack of clear accountabilities*

### **Defence and Commercial Globalisation Realities**

- *Interoperability*
- *Global Supply Chains*
- *Global Defence Supply Chains*

## So how are we doing?

# Lessons Learnt

- *A bottom up approach has been less than optimal*
  - *Consult, consult and consult some more*
    - *Pick your timing*
    - *Change Champions*
    - *Change Fatigue*
    - *We need your help*
